URB-EX

URBAN EXPLORATION PHOTO EXHIBITION

90+ TERRIFIC MASTERPIECES BY THE STARS
OF THE EUROPEAN URBEX SCENE

URB-EX

is short for Urban Exploration.

Urban exploration is not a walkover. It designates the act of exploring manmade abandoned and off-limits structures: castles, former industrial sites, lost military bases, decaying theaters, spooky schools, dead malls, hidden modern ruins, roof tops, train stations, sanatoria or forsaken theme parks to name but a few. And of course, deserted houses - hence the photo exhibition during the HOME fair!
